

EPHESIANS

DAILY READING GUIDE

Welcome!

I am so excited for you to journey through this book of Ephesians and see how God will reveal Himself to you through His Word. Paul wrote this powerful book from prison in Rome where he served his sentence after being falsely accused. The first three chapters of Ephesians focus on doctrine; the principles and truths of the Christian faith. The last three chapters focus on our walk as people chosen by Gracious God.

When we spend time in God's word, we get to know God and He gets to love us. His word is perfect, flawless and will transform your thinking about who God is and transform you to be more like His Son, Jesus. This is why we open the pages of His Word. It gives life, perspective, direction and most of all a pure look at God and His great love for you.

In this information age, it is so crucial for us to know God and let Him work in our hearts through a personal encounter of His Word. If we are only taking in devotionals and blogs from even the best teachers, we will be missing out on the personal love God has for each of us. God never intended for teachers to be the only means for which we know Him. While He has graciously and powerfully gifted teachers and pastors to nurture our souls through the power of God working through them, we miss a personal relationship with God when we only rely on others for our faith.

This guide is designed to help you engage with the Word of God yourself. The questions are a guide to get you started and help you through. I am confident He will show you even more as He reveals Himself personally to you.

Some things to consider as you study God's Word.

- **Apply what you learn.** It's too easy to become knowledgeable and never transformed by not embracing the truth you've learned. Live like it's a life changer, because it is.
- **Trust God reveals to you what you need to hear.** He knows your life, your circumstances, what you face and He wants to guide and love you through all of it.
- **Share what you are learning with someone else.** Something happens when we gather with others and talk about God. It solidifies what we believe and also encourages others to believe. Take a risk. There is someone in your life that needs to hear what God is teaching you. Go share it.

I am praying for you that as you open His Word you will fall deeper in love with your Savior and more confident of His great love for you. May He increase your faith sweet sister!

With Love,

Kelly

Your word is a lamp for my feet and a light on my path ~ Psalm 119:105

Congratulations!

You walked through a book that is passionate in telling you who you are IN Christ, what He has done for you and the incredible Kingdom He has placed you in.

May you know more fully the riches of His grace, the depth of His love and the necessity of relying on His power and wisdom to do in you and through you more than you could ever hope or imagine.

God's word never returns void and the truths He has revealed to you will continue to transform your thinking and your life as you believe His word is true. You are deeply loved by God and my prayer is, like Paul, that you would know the depth, width and height of His glorious love for you. Be bold in taking your place by grace in the Kingdom and live your part for God's glory and your good.

Jesus saved you and me by His grace, not anything we did. Our walk will be by grace as well. May He continue to transform us into His likeness, give us the faith to believe and the courage to walk as deeply loved, fully equipped daughters of the Most High King!

Never forget who you are IN Christ! We have been pulled from the dominion of darkness into the glorious kingdom of His Son. Go shine your light for the world to see!

Love you sister!

Rooted in His Grace and Love,

Kelly Vance
